Raphael Tuck & Sons' "OILETTE" "LOCH LOMOND." [PLATE-MARKED] No. 9746
ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

The Islands. Loch Lomond is the largest freshwater lake in Scotland, being 21 miles long and ⅝ to 5 miles broad. The surface measurement is 27 square miles, and the greatest depth 630 feet—near Tarbet. Its bosom is studded with 30 islands of varying sizes, some mere islets, while others are veritable gems of woodland scenery.

Just a card to send you all our Easter Greetings. Many thanks for eggs received safely. Shall be writing a letter in a few days & hope you will excuse card. Love from
